To Whom It May Concern:

It is with great pleasure and confidence that I submit this letter of recommendation on behalf of the Life & Health Department of the Mazzali Agency.

As a Road Commission previously handling all health insurance administration internally, we contracted with the Mazzali Agency in the fall of 2008 following changes within our organization.

Our Board and Management had made decisions regarding health insurance changes for retiree and active employee groups that required the help of an agency ready to roll up their sleeves in order to help us meet our goals and implementation deadlines. Not only were they willing and able to do so, they were an excellent resource for our management, employees, and retirees, making themselves available to answer any and all questions in a professional and timely manner.

We look forward to their continued partnership.

It is for these reasons that I highly recommend the Mazzali Agency for your health care needs.

Sincerely,

Marquette County Road Commission
