To Whom It May Concern:

Hiawatha Communications Inc. and its subsidiaries have had a business relationship with the Mazzali Agency for more than twenty years. We have used them in the provision of nearly all our insurance needs from property and liability to health care and worker's compensation coverage. During that time, we have had prompt, courteous and professional attention given to all of our concerns and inquiries. They have acted in our interest in finding lower cost alternatives whenever necessary.

I recommend the Mazzali Agency to anyone seeking high quality, professional services for all their insurance needs.

Sincerely,

Dennis J. Dyer
