RE: Mazzali Insurance Agency

The State Savings Bank of Manistique has had a working relationship with the Mazzali Agency for the past 10 years. During that time the Mazzali Agency has been the bank's primary Insurance Agent.

In all of our dealings with them, both as the bank's personal agent as well as the agent for many of our customers and employees, we have found them to be very pleasant and professional.

Their staff has always taken the time to answer any questions and gone the extra mile to provide quality service.

Sincerely,

Mark Larche,  
President and C.E.O.
